

*The Town of Amherst Energy Task Force proudly sponsors*  
**October Energy Awareness Month**

October 2010						
Sun	Mon	Tue	Wed	Thu	Fri	Sat
					1	2
3	4	5	6	7	8	9
10	11	12	13	14	15	16
17	18	19	20	21	22	23
24	25	26	27	28	29	30
31						

### **PV Primer**

**Tuesday, October 5, 7 PM - 8:30 PM**

**Hitchcock Center for the Environment**

Phillipe Rigollaud, of PV2 will educate registrants on photovoltaic technology with a walk through, and explanation of, the Hitchcock Center's parking lot installation. To pre-register call 256-6006.

### **3 C's at the 3 Colleges; Carbon, Co-Generation and Conservation**

**Thursday, October 7, 7 PM - 8:30 PM**

**Hitchcock Center for the Environment**

Todd Holland, Five College Energy Manager, will explain how three institutions balance the desire for green energy, need to realize strong investment returns and commitment to reducing greenhouse gas emissions. To pre-register call 256-6006.

### **10/10/10 A Day of Climate Action**

**October 10**

Go to [www.amherst350.org](http://www.amherst350.org) to participate in, or attend, an international day of climate action!

### **Energy Awareness Through the Arts**

**Tuesday, October 12, 6 PM - 7:30 PM**

**Hitchcock Center for the Environment**

Bring the family and enjoy an evening of dance, film and a concert by Jay Mankita.

### **Asthma, Indoor Air Quality and Energy Efficiency**

**Saturday, October 16, 10 AM - 2 PM**

**Cowls Building Supply**

Learn about products that help keep indoor air healthy. Talk with Health Department staff about asthma and indoor/outdoor air quality.

### **Energy Investigations in Schools**

**Tuesday, October 19, 7 PM - 8:30 PM**

**Hitchcock Center for the Environment**

Come learn what the kids are learning! Micky

McKinley will take you through the exciting new curriculum Energy Investigations she has been teaching in middle schools. To pre-register call 256-6006.

### **Climate Action Plans and Strategies at Amherst Institutions of Higher Education**

**Thursday, October 21, 7 PM - 9 PM**

**Merrill Science 4, Amherst College**

Find out what Amherst College, Hampshire College and the University of Massachusetts/Amherst are doing to address global warming at their respective facilities.

### **The Tightest House We've Ever Seen: Green House Tour**

**Saturday, October 23, 10 AM - noon**

Turnkey Builders and EcoPlan Architects will be on hand to share their enthusiasm for, and answer your questions about, green home construction. For directions & to pre-register call 256-6006.

### **Be an Energy Efficiency Leader in Your Neighborhood**

**Monday, October 25, 7 PM—9PM**

**The Glass Room, Bangs Community Center**

Adin Maynard from Cozy Home Performance will share how you and Cozy Home can host an in-home workshop on the nuts and bolts of efficiency, cool diagnostic tools, and details about available rebates.

### **Climate Change: What's Happening Now?**

**Thursday, October 28, 7 PM - 9 PM**

**The Glass Room, Bangs Community Center**

Join Professor Steve Roof of Hampshire College for an update on how global climate is changing now and what can be expected in the future.

*The Town's ability to coordinate free public programming is due to generous financial sponsorship from Amherst and Hampshire Colleges, and a grant from the Massachusetts Renewable Energy Trust's "Clean Energy Choice" program, which supports the Energy Task Force Coordinator position.*

**ALL EVENTS ARE FREE & OPEN TO THE PUBLIC. For more information go to [amherstma.gov](http://amherstma.gov).**
